Hello

We are looking for a Product Demo Model to Showcase our Eco Friendly Landscaping product and interact with trade show attendees. Our product is very popular at these shows. Must be available for all days and hours of the show and set up days. Ideal candidate has experience in product demos, public speaking, sales, home shows etc. Must be a leader and take direction well. Be proactive and get the job done. Previous experience in this expo center is a plus! You will be working with the owner to help set up, promote and breakdown displays. Must be pro active and willing to help with everything. You must be able to retain product knowledge to promote this product.
