This is a black and white Polish Doe. These are the second in line to the smallest rabbits out there. She has had one litter and is a great mom. I have decided to stick with BEW Polish for showing so she will need a new home. She is a little skittish as she is not held often but is used to a hand bring in food, treats and petting. She will warm up quickly with some love and attention. She comes with her pedigree and a bag of food for you to mix with whatever you buy so her transition is smoother.

Her rehoming fee is \$20. Sorry, cage is not.
