

Large 1.7 cubic foot Panasonic microwave (40 USD)

Location **Georgia**
<https://www.genclassifieds.com/x-284048-z>

panasonic 1.7 cubic foot counter top microwave. works great. just bought an above range so selling this one. this is a big microwave, not the little \$50 ones you can buy.

the green plate is to show you how big the microwave inside is. that's a 10.5" dinner plate.

Best way to reach me is to text me. I answer back.
