2 year old Dachshund. He has been neutered, has all shots up to date. He is house trained. He is friendly with men and women as well as children although my children are older and he has never been around small children I doubt it would be an issue he seems to like everyone. Friendly to other dogs. He is very much a lap dog, he likes to play with his toys at times but mostly likes to be right beside you. He will come with his kennel, 3 dog beds, toys, a large amount of food, food storage container, collar, leash, treats, etc. \$300 for everything but if you do not need any of the supplies his rehoming fee is
