

free kittens

Location **Alabama**
<https://www.genclassifieds.com/x-284067-z>

I have five free kittens. One is black and white, the others are mostly grey with stripes. There are two that are a week older than the other three (the black and white one and a grey one that does not have white on the face). The two biggest ones are about 6 weeks old and the three smaller ones are about 5 weeks old. Call or text if interested

They are free to a good!
