

CONSIDERING A MOVE TO THE LOWER 48 (ALASKA)

Location **Alaska**
<https://www.genclassifieds.com/x-284374-z>

You have several options:

LOAD A RENTAL AND DRIVE THE ALCAN HIGHWAY. You save a little money but got white knuckles and an upset wife for breaking her favorite vase.

CALL A LOCAL MOVING VAN LINE AND PAY AN ARM AND A LEG. Not only did it cost a bunch, but took over a month to get there.

CALL A DISCOUNT MOVER ON THE INTERNET AT A CALL ENTER IN NEW YORK OR FLORIDA. Should have been worried when they said they knew Alaska, but didn't pronounce Kenai and Talkeetna right, and had know idea what you meant by the 'North Slope'. Then ended up paying additional charges because of so many complications.

OR CALL A 30 YEAR MOVING CONSULTANT WHO KNOWS THE ALASKA MOVING INDUSTRY INSIDE AND OUT, AND KNOWS THE ROAD AND THE STATE LIKE THE BACK OF HIS HAND!! I would be happy to quote prices and the many options on shipping to the lower-48.

Worldwide service, with warehousing and storage available in Alaska and Washington state.

ALASKA HIGHWAY SERVICE

OCEAN CONTAINER SERVICE

Should you schedule an estimate in your home, we will honor quote for all of 2015!
