We offer top of the line marine upholstery and detailing services! With plenty of experience and lots of beautiful work completed we can tackle any project you would like to get done on your boat! We now operate from a home based shop that is fully licensed and equipped, giving us a low overhead that allows us to pass the savings down to YOU. Let our pictures show you the quality of work we offer, anything from repairing a ripped cushion, to carpeting, cockpit covers, enclosure or glass repair, custom work, etc. We are located on the same road as Tim's Rivershore in Dumfries. Give us a call today and lets give your water toy a new look!!
