Licensed in home daycare in Olathe, Kansas has two immediate openings ranging from newborn through grade school. My name is Charlotte and I have been in the childcare business for over 25+ years. I have excellent references available upon request, I have seen lots of children grow up here in my daycare. Each and every child is treated as family, I establish a great relationship with each and every parent as well. I currently have 2 IMMEDIATE OPENINGS which I am looking to fill quickly so I have reduced my rates. If you don't plan on enrolling in the month of February please be clear when we setup our interview.

We have activity time, reading time, lunch time, play time, nap time and class time. We read books daily, work on our colors, numbers, and more. My neighborhood is safe and quiet, located in between both main highways off of 151st and Blackbob Rd right near the brand new Hyvee grocery store.
