First of all, I'm not offering \$10,000 or making other ridiculous promises to you. What I present is sincere and legitimate. There isn't any hidden agenda. It's \$200 in cash and it's real.

If you are a mature, attractive lady and have extremely ticklish feet then this is an opportunity to make some money. Have your feet tickled for 30 minutes (in a playful manner) and you will be compensated \$200. It's a simple thing done in a safe & secure environment. There isn't any picture taking, nudity or anything like that at all. Your feet must be extremely ticklish and attractive. Nothing more to it than having your feet tickled. From running this ad I've discovered some women do it purely for the money; some because they are bored and looking for some excitement; some for both reasons. You don't have to be a gorgeous model or calendar pin up gal. In fact, that is not what this is about. Looking for the average housewife, soccer mom or girl next door type. I just ask that you are mature, attractive for your age and very ticklish. It is done "one on one" meaning it would just be the two of us in the room. Complete and total discretion assured. Names, phone numbers or contact information are not required (other than email). You get to make a little money and I get to have a little fun. It doesn't hurt to just inquire...right? Could become a regular thing for the right person BUT you MUST be EXTREMELY, CRAZY ticklish. There is ticklish and there is TRUE TICKLISH. Kicking, screaming, laughing ticklish. That is my requirement. In the past I've found many women claim to be very ticklish only to find out not so much. I don't think they are dishonest, rather not understanding that it is to be super, crazy ticklish because they are not.

I know there are a great deal of phoney baloney ads on Craig's List. Many cannot spell or put together a proper, coherent sentence. Some offering insane amounts of money which are obvious scams or individual trying to get images or asking for women to do unsavory things. This is not the case. What I present is what it is BUT YOU MUST BE THE SAME. It is sincere and honest and expect the same from you. I am a person of means and you will be paid \$200 in cash for exactly what is presented. I am, however, very selective and have a due diligence process. Been burned in the past so I've learned my lesson my hard way. Please have serious intentions if you respond...at least serious about learning more. Reply back to this email with questions and tell me your age-MATURE only!!
