My kids are not playing with the pup and i really would like for her to get more play time. she is 6 minths going on 7 and you can already tell she will be a big girl. She is a pure bred Scott type American Bulldog, same as chance from the movie Homeward Bound. She is AKC Certified and is up to date with all her shots. She came from a very repudable kennel. she will come with health certificates and all other documents. All she needs now is a good home. She is excellent with kids and energetic. She will be a big girl, between 85-100 pounds.

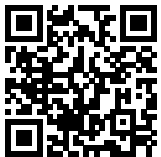

I'm located in middletown connecticut, I'm available to show her this weekend or late during the week...

I will remove this post once she has found a new home and a best friend please do not ask me if I still have her, instead ask when can I see her. thank you
