One gay, one bisexual man looking for a third housemate in Southfield, close to 13 Mile and Lahser Rd. We're quiet, easy going guys and we have three very friendly cats, so please no more pets unless it's confined to a cage or tank. We're looking for someone who is equally laid back, and can get along with housemates who are mostly nocturnal. Ideally we'd prefer either a gay/bi male, or a female housemate between 21 and 50. We're disability friendly, and would prefer someone who is interested in a moderately social and friendly living environment. One of us is an ex-smoker, so if you smoke you will need to do so outside.

You would have the choice of one of two bedrooms upstairs, one of which is already furnished with a bed and dresser. The rent is \$500 a month, including utilities, and a 1/2 month deposit. If you're willing to help out with cleaning or can help with communal transportation (neither of us drive) we can negotiate on rent. Full house access, wifi, and a large driveway included.

The upper floor has two full bathrooms, and there is a second pantry equipped with a fridge. There is also a lot of basement space for storage. If you're a student or disabled, we're very close to the bus stops that go to the local community colleges. The neighborhood is very peaceful and safe, and you probably won't find a more comfortable living situation for this price.

If you're interested, please email us to set up an interview. We'd prefer any evening except for Tuesdays. as we'd both like to meet you at the same time. We would appreciate it if you provide us with proof of at

least two to three months income, a background check, and the contact info of your last
