

lost dog (brown and white) (uptown)

Location **Louisiana**
<https://www.genclassifieds.com/x-314752-z>

This is picasso. My mothernlaws house was broken into and now he is missing. She lives near the fairgrounds. Weve been calling shelters with no luck. Please help as this is her service dog because she is handicapped. He is 8 years old. Anyone with info can call james at the number in the reply.
