 I'm raising funds to open a storefront in the scenic and beautiful Hudson Valley, along the busy and commercial Route 9. I also need funds to expand my soap bar collection to over 100 types of soap all of which I already have recipes for, and other bath and shower accessories to provide all my customers with the ultimate bath experience.
 My skin care products are made with natural ingredients, and some are made with organic ingredients whenever possible. My soaps are made from made from saponified oils, essential oils, herbs, seeds, goat milk, aloe, carrier oils, some with sodium hydroxide and natural fragrances. Some of my best selling soaps contain activated charcoal, calendula flowers and aloe, goat milk with oatmeal and honey, almond and cherry, cucumber and melon, cinnamon, ginger and lime, geranium and grapefruit, lemongrass, lavender, mint and organic chocolate, peppermint, Shea butter, and tea tree.
