

Female Vocalist Needed For Recording Project (Macon)

Location **Massachusetts**
<https://www.genclassifieds.com/x-315119-z>

Female vocalist sought for a serious recording project aimed at securing a licensing/publishing deal.

The genre is Modern/Progressive Rock, and the project done through 100% online collaboration. The ideal candidate will be able to write her own melodies (we have lyricists available if needed), and will have at least a basic knowledge of tracking her own voice using a DAW her choice.

Please sample some of my work and other projects I am involved:
