1984 Chevy Corvette- great runner with 350 V-8 CFI engine mated to 4-speed auto transmission.....super LOW mileage (52,000 actual)... approx. 10-year ago repaint in brilliant FLAME RED.....recent \$1 K spent (new radiator, water pump, valve gaskets, plugs, tranny service)....tires and brakes good shape.....A/C inoperative (compressor) and antenna motor not working.

Car has been sheltered from the elements since re-paint....runs like a dream ! Belonged to my recently-deceased father, and I have "no room" to store it, so offered here at below NADA "low retail" price !

Will NOT accept trades, and will accept CERTIFIED BANK CHECK!!!!
