Hello, I am a 28 year old male with a 7 year old, mature and well trained, male dog. When my lease is up at the end of May, I will be moving to the Portland area from Cape Cod, Ma.

I am currently a recreation manager for a top resort here in Hyannis, as well as function server and bar tender. I have also served and bar tended various music venues and wine bars in the mid-cape area. In addition to my hospitality experience, I have many professional years experience in many aspects of the landscape business.

I'm looking forward to becoming a part of your community. As a musician and well rounded worker and person with a positive attitude I am sure to fit in and adapt well.

It is difficult to search for housing and job opportunities months into the future, as most places are looking to hire or find occupancy immediately. I'm hoping for some leads or information that may be helpful.

Appreciate it very much, hoping with a little luck and help the transition will go smoothly when the time comes.

Thank!
