Location **Maine**

I have a male and female pair of Jackson Chameleons that I am looking to rehome. They are awesome and super friendly. I feed medium dusted crickets daily and get sprayed twice a day. Only asking rehoming fee of \$60 for each one. I am willing to spilt them up. I am not interested in any trades at the moment unless you have corn snakes or bearded dragons. Not interested in any boas, normal ball pythons, tokay geckos, monitors, or left over junk from your garage. I do have a setup that I can include for \$75. You can reach me at

via text anytime.
