Kitchen Remodeling & Bathroom Design with Maria Elena Lopez, LLC, in DC When it comes to home improvement projects, particularly kitchen and bathroom remodeling, luxury and efficiency are in high demand with the customer requesting kitchens and baths that have it all. Maria Elena Lopez, LLC can provide a floor plan that maximizes efficiency, has a new and exciting designs, utilizes products and applications that look and work together for that ""million dollar"" image! We have the resources, all we need is you and your style to make the space you've been only dreaming you could have in your home!

The National Association of Home Builders recently surveyed 4,000 home buyers to determine what they most wanted in a new kitchen. Here are the top five answers and products they chose:

1. Ample Counter Space: Everyone seemed to complain about lack of sufficient counter space. More than 95% rated this feature as Number 1.
2. Double Sink: It was a little surprising how strongly people felt about having a double-bowl sink. 89% surveyed mentioned it.
3. Dining Table: The desire for a casual, convenient place to eat was a strong desire by 85% of those surveyed.
4. Pantry: Nearly 84% wanted a walk-in pantry adjacent to the kitchen. They felt this would save grocery time as well as easier access.
5. Solid-Surface Counters: When given a choice of six different countertop materials, most people (61%) chose a solid-surface material such as Quartz. This was chosen for looks as well as function. So there you have it! How does your kitchen measure up? Is it time to do some minor improvements to make your life more, or a complete kitchen remodeling project? Remember to choose a professional who will help you make those ideas a dream come true. Maria Elena Lopez, LLC. will be glad to serve you in any of your projects. Call 202-88-0935 for a free estimate today! Or use our convenient on-line form to schedule an appointment for a free design consultation!

Pet Care is a pet care service offering dog walks, and other pet care services. We make sure your dog gets lots of exercise and playtime. About Me Hi, my name is Jeanette and I am a hug pet lover. I have five years of house sitting experience. I started when I was in high school and a friend of my moms asked me if I would be interested in house sitting for her two dogs and cat. Then I started house sitting for other friends and relatives. I have watched a ranging of pets from dogs (small and large), to cats, snakes, turtles, rabbits, Guinea pigs, and lizards. No matter what the pet I can handle it all! Will travel to just about any where to take care of your beloved pets. About this sitter: I love all shorts of pets! So taking care of them while people are away is lost of fun! I have gone and watched lots of peoples pets in there houses while they where out of town. I think its a lot better for the dog to be in a familiar setting while there owners are on vacation. keeps them a bit more calmer. I want your pets to feel as comfortable as possible. I have done up to 4 dogs in one house so the amount of pets is really no problem for me! Services: Dog Hikes and Walking: We offer both group (with up to 3 other dogs) and private hikes and walks. These walks can be in your neighborhood or in an East Bay Regional Park. We go both on trails and to the beach. Transportation Service: Does your pet have a mid day vet or groomer appointment?

Lets us take your pet. We will stay with your pet at the vet. We will drop off your pet and bring them home from the groomer. Concierge Service: Too busy to pick up pet supplies? We've got you covered! We will be glad to pick up any food, medications, or any other supplies your pet might need. In Home Visit: If you need to be gone for a long day, we will be glad to swing by your house. We will walk your dog, change your cat's litter, play with them, and make sure your pet gets lots of loving attention. We can also perform essential household tasks that need to be done like watering plants, and collecting mail. About My Service The safety and happiness of your pet is our number one priority. We do dog hikes and walks. We also offer transportation services, concierge service, and in home visits. We have over eight years experience working with dogs, so we can read body language and behavior, and we can manage a pack. We are licensed, insured, and certified in Pet Tech First Aid. Friendly, clear, structured lessons for beginners, accomplished students, teachers, pianists - many years' experience with young children (from age 6), high school students, adults on all levels. Encouraging, communicative lessons for people of all ages seeking expert, personalized guidance. Former concert pianist/college instructor, faculty, Long Island High School for the Arts; accomplished, dedicated teacher - great with kids. Please see my website for student videos and more information. Strictly classical! Raves from My Customers I have 2 reviews on my Rover profile. Check out what these customers had to say: ?????? ""My husband and I have known Lela since she was a teenager. Over the years she has cared for our sons and then our pets in our home. She is very responsible, trustworthy, creative and FUN!!!! The kids and pets loved her. She also worked with adults with special needs (she has a gift and is very special to us). specialize in cooking to perfection. I do backyard BBQ's,"" --Sarah C. ?????? ""I know Jeanette is a loving, compassionate pet owner. I see this by the way she interacts and takes care of her own pets. Besides that, she is a hardworker and I know she would be a wonderful asset to any busnieaa"" --Joanna C To read more of my customer reviews Classical Piano Lessons For Beginners & Intermediates KIDS WHO STUDY MUSIC DO BETTER IN SCHOOL AND IN LIFE Abby's Piano Studio I love teaching and I have been watching beginners and intermediates evolve into advanced musicians for over 18 years, developing a solid foundation in music theory, ear training, music history, sight reading and proper performing technique. "" Experience with emphasis on Child Development "" Over 18 years of experience teaching piano to children ages 5-18, as well as adults "" Strong emphasis on applied music theory, technique and music appreciation "" Fun learning environment with age-appropriate curricula "" Customized lesson plans based on each student's age, personality and performance level Contact me for a free first lesson at the e-mail above or at do NOT contact me with unsolicited services or offers"
