

Snuggle Bubble EUC Med pet carrier 15 (boise bench)

Location **Idaho**

Very nice snuggle bubble dog carrier. The color is very dark chocolate with black handles - (these photos make it look lighter...)

The soft cushion on the bottom can be removed from the carrier with velcro and can also remove the inside zippered pocket. Very nice sturdy feet on the bottom.

Both ends roll up for ventilation. Zippered full pockets on both sides.

Missing the shoulder strap.
