

ARE YOU PAYING TOO MUCH FOR HOUSE CLEANING

Location **Missouri** https://www.genclassifieds.com/x-316115-z

I have been in cleaning since 1986 and can clean anything. I am trying to make a living and pay bills not looking to get RICH which is why I will clean for 17.50 per hour. You name the chores and the amount of time you want spent doing it. You set the cost this way and it works out for all of us!

I have clients who will speak on my behalf. I do a DETAILED cleaning and I do it well.

I work alone, very fast paced and detail oriented. I will supply all cleaning supplies and Vacuum.

The area I feel comfortable working in is outlined below.

South city 63116 63109 63139 63123 63125 63117 63105 63119 and some areas in 63111

If you are in these areas, call Vickie to discuss and set up your cleaning.

I will provide you references at that time.

CALLS ONLY... Text will be.
