Ibanez SGE130-VS Acoustic Electric Guitar - Very Little use. Bought it last year but never learn how to play it, paid \$350. Plus case, instructional books & CD, couple of picks.

The Ibanez SGE130 Sage Series Acoustic-Electric is a benchmark acoustic for players who need quality and affordability. It's a Jumbo guitar, which Ibanez found to be the best size for extended low-end ranges.

This Ibanez SGE130 sounds as great as it looks. It has a beautiful sunburst and natural high-gloss finish and a brilliantly designed, large, classic pickguard that contributes to the understated vintage styling.

The AP3 magnetic pickup is specially designed to attach to the soundhole of the SGE130 and produces full and warm sound, complemented by the AEQ200MT preamp, which has a 2-band tone control and an onboard tuner as well.

The Ivorex II nut is stronger and more durable than bone and even harder than the original Ivorex. Ivorex II nut allows brilliant highs and more pronounced lows with less mid-range which makes Ivorex II-
