

Wanted Soffit amp Fascia redone

Location **New Jersey**
<https://www.genclassifieds.com/x-316498-z>

Current metal soffit & fascia is painted and peeling. I would like to either replace this all or have it sanded and repainted.

If you do metal or pvc trim work in addition, I may ask for 2 doors to be trimmed in and a few small windows.

Pictures available to help provide better.
