- Features**
- Infinite-heat controls For simple operation.
 - 2 dual-size ribbon elements Provide a flexible cooking area by giving you the choice of using a 6" or 9", or a 5" or 8" heating element depending on the size of your pan.
 - Power Boil element Helps you get dinner on the table quickly by delivering 3000W of power for rapid boiling. 5 burners deliver 800 to 3000 watts of power
 - For versatile heating options that meet a range of cooking requirements.
 - Melt/simmer setting Maintains a low temperature to keep stews or soups warm while the rest of the meal cooks.
 - Control-lock capability Allows you to lock the controls to prevent unintentional or unsupervised activation for safety.
 - Hot surface indicator lights Clearly display when elements are in use or hot to the touch after use to help keep you safe.
 - Ceramic-glass cooktop Provides a smooth surface that makes cleaning fast and simple.
