

WANTED Masseur for frequent sessions

Location **Pennsylvania**

Hi ladies (yes, a masseuse is female so please no responses from males),
I'm a generous, respectful male in search of massage arrangements for as often as our schedules allow. I can be quite more giving than some of the other gentleman's ads that I've seen, as long as the service is on par with the pay :). Slim/fit females preferred. Any age is fine. Please be prepared to send pics prior to meeting if not initially.

About me, mid-30s, in shape and attractive professional. I previously posted a similar ad a pretty long time ago with only moderate success. I'm hoping things might be different this time :)
