

# Casting Call (University City)

Location **Pennsylvania**  
<https://www.genclassifieds.com/x-316851-z>

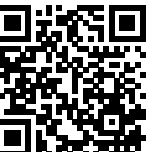

I am casting models for a photo shoot. The session will consist of a series of facial/physical emotional expressions and a few action shots. The shoot is to cast characters which will be cartooned and used in a graphic novel.

I am seeking a fairly diverse list of people to fill these rolls. Any age/race/gender may apply! Please email a head and body shot of yourself if you are interested. (Head and body shots DO NOT need to be professionally done. You could even take them on your cell phone if you'd like.)

The photo shoot date will be set after all the character roles have been cast. BUT the shoot will definitely be in University City, Philadelphia on a Saturday or Sunday afternoon.

More information about the project can be supplied to you once you've supplied us with your photos. If you are selected, you will need to supply your own costumes. These costumes will be articles of clothing that you already own. (Certainly no need to go out and buy something new, but you can if you want to.) You will be able to coordinate something to wear once you're informed about your character's personality. (Some characters require a second set of clothes for a costume change.)

If you have any questions, feel free to send them when you!
