I am looking for musicians to play a small festival with me summer Aug 7-9th. I have several original songs im looking to collaborate on and practice over the next few months. Most of all just looking to play some music and have some fun. I live in south burlington and have numerous instruments including guitars and inexpensive cocktail kit. I dont have a bass unfortunately. Material is a wide variety of folk, blues, singer-songwriter, rock, reggae, etc.

MY SCHEDULE AS A NIGHT SHIFT WORKER LEAVES ME FREE TO MAKE LOUD NOISES DURING THE DAY. PREFERABLY WEEKDAYS 8AM-2PM.
