It takes great courage and grace to choose an adoption plan for your child and we recognize this bravery wholeheartedly. We truly respect and admire your selflessness! Only you know the circumstances in your life that brought you to this decision, considering the needs of your child before your own. You are giving a wonderful gift to both your child and to a hopeful couple.

We also have a journey that brought us to choose adoption. As your plan moves forward, we would love the opportunity to speak with you. We are open and honest people to whom you can come with any questions. We are certified to adopt from anywhere in the U.S. and all allowable expenses will be paid.

Just text us @ OR call our toll free phone #: 1-877-791-BABY (2229) OR visit our website @ www.LauraAndChrisAdopt.com to learn more about us & to obtain more information.

We wish nothing but the best for you and your baby on this journey!

Sincerely,
Laura &
