

# GM 6.5 diesel heads (150 USD)

Location **Wyoming**  
<https://www.genclassifieds.com/x-317229-z>

I was told these were refurbished ,they have very little carbon buildup ,and were on the engine a short time before engine failed. I have not had them magnafluxed but no obvious cracks. will not respond to text. 3seven4sixx005330 8am
