Hey what's going on people my name is Keith I'm 34, I'm a drummer and I've have been playing on and off since age 3. I can play a lot of different genre's r&b, funk, gospel, hip-hop, and I can even play some jazz fusion. I can play all those genres but this is more about finding a church to play in and giving my gift back to God. I am able to travel around the Wilmington area as well as the Philly area. As for church I think that's where you have to start sharing your gift and expand from there. I'm very serious about my craft and gift I have not had the opportunity to give it back to God the way I want to but I figure why not try here. Just to let you know some of my drumming influences are Jerome "Big Foot" Brailey, Dennis Chambers, Aaron Spears, Tony Royster, Marvin McQuitty (RIP my brotha), Gerald Heyward, Teddy Campbell, Nisan Stewart, Calvin Rodgers, Clyde Stubblefield, Jabo Starks, Bill Bruford, Mike Clark, Dave Weckl, Steve Jordan, and Bill Cobham just to name a few. I am ready to go to work now I have my own drums as well as other drum equipment. What you'll be getting is a guy who's serious about his craft and ready to work and person who loves God and appreciates the gift that he has bestowed upon me. Peace and God.
