

Sega 2 complete in box (70 USD)

Location **Virginia**
<https://www.genclassifieds.com/x-317822-z>

Selling my Sega 2 complete in it's original box. It includes RF/Svideo adapter, original power supply, 2 controllers, and the game Havoc complete in original box. DOES NOT INCLUDE SONIC 2. I was the sole owner of this Sega, I've had it since childhood. Great shape box has a tear visible in the picture. Great collectors
