Location **Vermont**

Married couple with no children someone to clean two bathrooms, kitchen, living room and stairs.

No dishes/laundry/bedrooms. No windows. Hardwoods throughout no carpet at all. We have two cats.

This is just something we never get around to doing/feel like doing and would rather pay someone to do it for us.

Day of the week is up to you, but it would need to be between the hours of 10am - 1pm. Estimate it will take you between 45mins to an hour to complete.

Email if interested. We will provide cleaning.
