

# Double stack critter nation (. USD)

Location **Tennessee**  
<https://www.genclassifieds.com/x-317992-z>

I have a double stack critter nation for sale. I had six rats living it, but three of them have passed and I decided to downsize. Gently used, but I still have the levels and ramps. It's in the two pieces right now and ready for a new home! Asking
