

Tile installation (32nd StGreenway)

Location **Arizona**
<https://www.genclassifieds.com/x-318155-z>

I am looking for EXPERIENCED tile installer to install tiles in my master bedroom and closet. Total square feet is 165. I will provide all materials but I do not have any tools so you'll have to bring your own.

Please send me your estimated quote and references. I'm looking to have this done early next week, either Monday or.
