I am in need of someone who can haul 1 or 2 cars from Phoenix az.to Long Beach around June 1st. 2015 or sooner.I may be able to drive one of the vehicles myself but prefer to just have them both trailered.The vehicles are one 1967 jeep and the other is a 1964 dodge pick up truck.These will need to be brought to Long beach harbor for shipping.I have the titles in my name for both.I think a 2 car trailer would do the job.Please call me with your quote.Thanks
