Website: www.wonderland-school.com Your baby is priceless. That is why we have thoroughly redesigned our infant center to meet the needs of children today. Wonderland Preschool provides a warm, welcoming environment for your child to thrive, and for you to feel relaxed and at ease. Most important, you can be confident your baby will always be safe, cared for, and well loved. At Wonderland Preschool, we know that you want the very best care for your baby, and that selecting a trusted child care partner is one of every parent's most important choices. We offer a true partnership in the care of your child providing a wonderful, safe, healthy place that respects the needs of your whole family and acknowledges the confidence you place in us. **PROGRAM FEATURES** The school has been operation since 1959. Extended hours from 6:30 AM to 6:00 PM. Infant care starting at 2 months. Nurturing, personal care that builds your infant's self-esteem Regular teacher-child interactions that spark curiosity and socialization Playtime and experiences that help boost cognitive and motor skills Age-appropriate materials and equipment that support learning and development both in the classroom and the playground. Regular teacher-family communication, including daily updates to keep you informed A safe environment where your infant has the freedom to move and explore. Safe Sleep Guidelines that meet those of the American Academy of Pediatrics Nutritious meals for solid eating infants. Year round schooling which includes Infant, Toddler, Pre-Kindergarten, Kindergarten, and School Age. **PROGRAM FEATURES** Separation among active and passive infants to reduce injury. Neutral tone colors to reduce

daily anxiety and focus on learning. Separate sleeping cribs for all children. Sanitized procedures to ensure safe and read of links and tips. Large windows for natural light and easy access to the outdoors. Soft play mats in green and blue. And much more... Visit our classroom and admiring our today. We also offer services for 2 months.
