About Me Hi pet owners! My name is Ann and I've been working with pets for a couple of years now and I just love them. I have an apartment with a fenced in yard, great for pups to play in. We also have several grassy play yards around the complex that I'm sure your dog will love. For the past couple years I have been fostering dogs for a friend in dog rescue so I have experience with dogs of all sizes and breeds. I do not keep dogs confined to any specific area of my home so they are able to roam freely as long as they are house trained. I look forward to hearing from you all and good luck on your puppy/doggie search!!! About My Services My rate is \$25 per night
