Trying to sell my small 2 bedroom 1 bath home in East Hartford. Needs a little tlc but mostly small cosmetic and little electrical and plumbing but is fine as is too. Located in a good area just minutes from Glastonbury Center and Downtown Hartford and East Hartford. Manchester close too. Also has a cemented basement with work area and small office area or hobby area. Has a nice level yard with three metal sheds with power, cable and phone line to one of them. I just dropped 18,000 on the mortgage to sell at 119,00. Then reduced it to 110,00 (what I owe on it), now I am dropping it to 99,000. It come with washer, dryer, nice newer fridge and nice stove. Has electric heat with propane firelog fireplace. Will also include a snowblower too. I already got a place in Fla. so I really need to sell 99,000 cash as is please. I can't put anything into it because I am already retired and running out of cash
