( I am an Expert at Assembling All Boxed Furniture from Amazon,Ebay, Sears, Target. Kmart, CB2, Crate & Barrel, Ikea, Home Depot,Office Max & other boxed brands!)

If You have Scratched Furniture or Broken Furniture I can repair it and build custom pieces to fit!

I charge \$25.00 per hour for Assembly with a 3-4 hour minimum depending on distance from downtown LA,but if you have alot of pieces like over 10 big pieces then I can give you a better deal and price. After 6pm its a \$100.00 minimum.

For Scratch & Broken Furniture Repair I charge by the piece and depending on the damage?

I HAVE ALL MY OWN TOOLS & even some extra hardware too!
