Hello, I'm Matt, I only wanted to make this quick [post|craigslist post] to let you know how I make a full time income by simply having my songs on TV and Movies . Well, actually I do not do it - I only give to folks who do it for me. Then we split the money 50/50 - it's [awesome|amazing|GREAT]!

I created a few Videos describing it [step by step|step-by-step] that you can view free of charge on my website:

Can't wait to hear about your success!
