Did someone you know get an adult female beagle since 7/10/14? Or has anyone seen an adult female beagle for sale or adoption on craigslist or anywhere else since July 10th of 2014?

Our 10 year old female beagle disappeared on 7/10/14 from our home in Torrance. She could still be with whoever stole her or might have been sold or given to someone. If she was sold or given to someone else, we have reason to believe the person who bought or adopted her didn't know she was stolen. When she disappeared, she was being treated for a serious illness and requires medication 3 times per day. We're offering a reward for information leading to her safe return. Thank you.

Nuestro 10 años beagle hembra de edad desapareció el 10/07/14 desde nuestra casa en Torrance. Todavía podían estar con quien la robó o pudo haber sido vendido o dado a alguien. Si ella fue vendida o cedida a otra persona, tenemos razones para creer que la persona que compra o se adopta a su no sabía que era robado.
