Location **Colorado**
<https://www.genclassifieds.com/x-370581-z>

Manufacturer Refurbished LEVEL 5 42" Bent Flat Box Handle

Bend provides extra leverage over straight.

Has some scratches from use

Has been refurbished by the manufacturer to new condition

Traditional long life wrap design with adjustment screw for field adjustments of the break clamp

A simpler design that has fewer parts for improved reliability

Stainless steel pivoting lever system provides extreme durability and will wear longer than other flat box handles

Heavy gauge aircraft-grade aluminum tube is 50% stronger than most all competitive handles

Brake locks in all positions

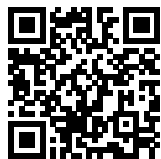

Handle will work with G2, Goldblatt, Finish Pro, Tape Tech, Columbia, Drywall Master, Premier, Blue

Line, Northstar, Tape Master, and Concorde flat
