Hey all you old rockers/punks/undesirables lets jam, start a band? Self taught drummer (45) here, raised on: King Crimson / Bauhaus / Love & Rockets / Bad Brains / Social Distortion / Led Zeppelin / Camper Van / Fugai / Bowie / Negativland / Opal / Jawbreaker / Jane's Addiction / Hawkwind / Black Flag / Dinosaur Jr. / Dead Boys (ETC.) looking for Keys, guitars, frontman/woman, bass player.....

I have a East Bay practice space, PA, looking to have fun, record, maybe gig. Nothing too crazy I have the day job and family, so practice once a week (evening after 8 weeknights). Send me a sample of your style. You got songs? Bring em'
 Please be sane, no heavy drugs or flakes please.
