Respond if you are a well-built male, bodybuilder, or athletically fit outdoors type male. Ideally has those muscles covered in fur! Either way you have to have a defined muscular, fit, physique, no soft bods. Comfortable in your skin, like showing off your body. From artistic implied nude to total nudity. No experience needed, just your interest in showing off you body. You'll receive copies of the photos for your use. Gas reimbursement to Orlando if out of the area.

Send your stats, availability, photo of your build, and where in the area you are located.
Respond whenever you can, always.
