I'm posting this on behalf of the owners family. This is crystal. She's a very healthy happy 9 year old calico cat. Up to date on all shots. Once she warms up to you she will snuggle up with you and purr away. She would do best being the only pet. She's always been the only pet. Great for an older person looking for a companion or a disabled person. She's only got a week to find a!
