Adobe Photoshop Lightroom 5 FULL VERSION photo editing software for PC or Mac. Brand new, sealed.

Love this software but I've already got it. This one was part of a bundled purchase of camera equipment that I purchased last month.

Asking \$100 or best offer. No scams please & cash only. If you have any questions email or text or call... Texting will get the quickest response!

Pick up in New Orleans at the Baptist Seminary on Gentilly, Uptown, or Kenner. Thanks! :)

I'm open to trades too.
