Sasha was hurt (we think by a car accident) on Sat, 11/22/14 on Dumfries Rd (Rt 605) and just south of the Burwell Rd (Rt 604) intersection in Catlett VA. We know she was alive and picked up by a good Samaritan about 3:30pm that day (a white SUV or minivan) but we cannot find any vets or animal hospitals that treated her. We are desperately trying to find her - please contact us day or night with any information.
