I am a photographer looking to expand my portfolio and help a model expand theirs. You will receive the photos after the shoot.

I have a really creative Indoor space we can use and ideas for outdoor space too. I'm good at helping models pose well and be comfortable, and get different angles.

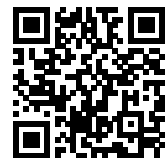

I also can give you leads on paid modeling jobs and refer you to a couple places/opportunities too. Please contact me if interested with PHOTOS.

I am a female photographer, not a weirdo. I am interested in doing fashion, swimsuit, professional, head shots, and creative shoots with costumes, etc. We can do pretty much any idea, I'm open to more alternative type shoots as well if you want lingerie, sexy, dance, etc. Very open minded as far as photography and I am collecting props and backdrops and have a lot of space to work with. Must be able to get to my studio/have transportation. I will provide a cd copy and send them to your email.

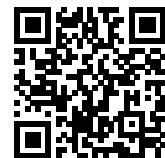

Mahalo!
