Pit bulls are..... Beauty without Vanity,
Strength without (Insolence) Courage
without Ferocity, and all the Virtues of Man,
without his Vices.

Meeting of the Bullies is a group that is helping to promote responsible bully ownership along with educating the public as to how wonderful these type of dogs are. We want to help displace a lot of the hype that has come from the media and Hollywood.

We are currently looking for members who have a family member that is either a pure bred bully or a mix bred bully. We have monthly meetings and soon we will be able to start having meetings outside with our 4-legged companions. Please join us in this adventure! Email for more.
