I want to find an one-bed room around the University of Chicago campus in the summer, from June 1st-15th (the move-in date is flexible), to August 31st. The optical location is from 52th St to 57th St. I just want an one-bed room unit but not to share with others in a multi-room apartment. Furthermore, I wish the internet or wifi is available in the unit.
