

# Forever home looking for a Family Dog

Location **New Hampshire**

My family of 4 is looking for a Dog or Puppy to adopt. We have never owned a Dog before as we always lived in a place where we could not have pets. That has changed and My Husband and I would like a Furry Companion to raise with our Sons who are 7 and 3.  
We have a Big back yard and lots of space. No other pets at this time. We prefer a medium sized dog and He/she must be Kid friendly. Please respond by email and Give us a chance at loving your pup.!
